

# Innovation During the Contract Period

## MAKE A DECISION

Make a decision between 'procure innovation' and 'procure innovation during contract period'

# 1

# 2

## DETERMINE THE PROCUREMENT FORM

### Contract with plus package

The plus package consists of agreements about an extra value for delivering of higher quality during the contract period

### Integrated contract forms

In this form, the suppliers are also responsible for several parts of the process after contracting

### Performance targeted contracts

There is space to determine the working method during the contract period

### Exit and modernisation clauses

These clauses include that you may terminate the contract if the market comes with innovations that the supplier cannot deliver

### Framework agreement

A framework agreement with 1 supplier gives the possibility for different orders during the contract period

## AGREEMENTS REGARDING COMMUNICATION FOCUSED ON INNOVATION

Innovative climate:

- Organise meetings about innovation needs of your organisation
- Ask a supplier to deliver an innovation plan
- Communicate openly and honestly
- Communicate your needs with the supplier

# 3

Ask for discount because of the product risks

## ENSURE THAT THE SUPPLIER COMPLIES WITH THE AGREEMENTS

Monitoring:  
Monitor your suppliers and act if they do not comply with agreements

# 4
